Grow your wealth at Home the smart way

Expertly managed to help you grow, diversify,
and secure your wealth anywhere in the world.

Choose from our tailored list of mutual funds to
suit your wealth needs.

GLOBAL FIXED INCOME FUND (USD)

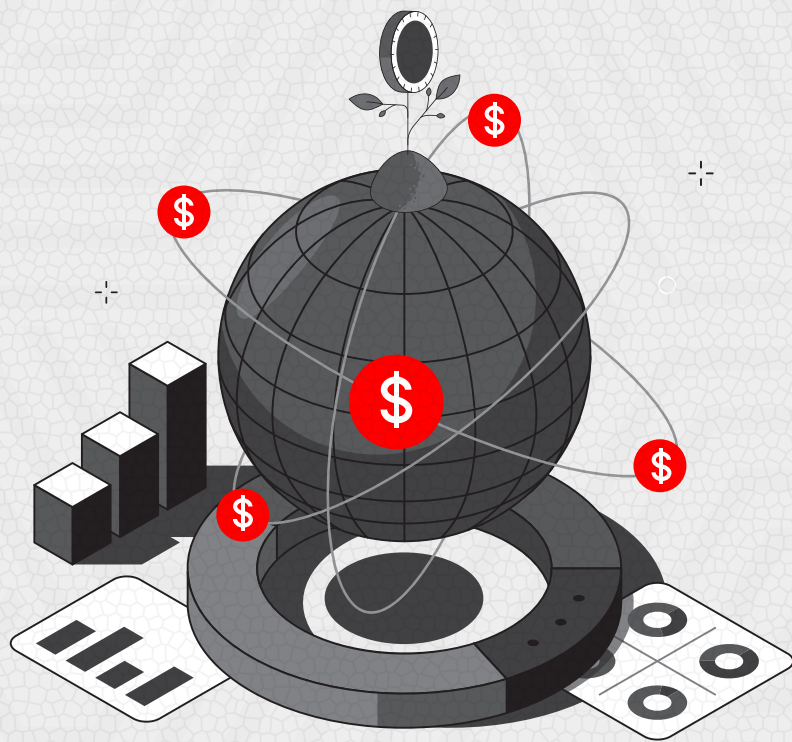

Earn a steady dollar income while staying invested in global opportunities.

A professionally managed US dollar fund that invests in sovereign and high-quality corporate Eurobonds and global fixed income securities, helping you grow and protect your wealth beyond traditional domiciliary accounts.

WHY IT WORKS FOR YOU

- Consistent income in USD
- Better returns than savings or domiciliary deposits
- Capital preservation and inflation hedge
- Diversified global exposure
- Flexible entry and exit

Minimum investment: \$100

— NIGERIAN EUROBOND FUND (USD) —

Invest in Nigeria from anywhere. Earn in dollars.

This US dollar fund gives you direct access to Federal Government of Nigeria and qualifying Eurobonds, offering attractive returns while protecting your money from naira volatility.

WHY IT WORKS FOR YOU

- Higher returns than regular bank deposits
- Hedge against naira depreciation
- 24 hour redemption access
- Dividends paid or reinvested for growth
- Open for new and additional investments

Minimum investment: \$100

STABLE INCOME FUND (NAIRA)

Stable naira returns with lower risk. Ideal for long-term wealth planning at home.

A naira-denominated fund that invests in government and corporate bonds and other fixed-income securities to deliver predictable income and protect your capital.

WHY IT WORKS FOR YOU

- Steady, reliable returns
- Low risk and capital preservation focused
- Professionally managed portfolio
- Diversification across secure instruments
- Annual dividend payments

Minimum investment: ₦50,000,000
